# Gooboo Steve's Gide to da Littel Oreng Dinazor's TY-meline.

Long time ago the big angry birb guy made all the littel oreng dinasors go into a hole in da air. And den the last littel oreng dinasor had to go collect sum things... I tink it was Gooboo Berries, but he didn't give me some. He got all the Gooboo berries and made angry birb guy go BOOM. Which he didn't like then all the oreng dinasors came back.

Me not in dis one but it still priddy good. But dere was no Gooboo berries.

Angry Birb guy leaves gaol with help from lizard girl. He and floaty Tedy Bear make plan to turn all the warm fuzzies into angry cross-fit lizards. Littel oreng dinasor, puppy girl, littel angry birb start a gang to collect Gooboo Berries and stuff thanks to fabulous toad.

They get all the berries and make Gooboo juice to stop big angry birb and his giantical Robert.

Everyone is hapy because I am in dis game.

Dis one is Soopa spooey. Is about THEM and when THEY came and mused everyting up. It was bad times for Gooboo Berries. The little oreng dinasor went on holidayy for 6 months and then the gang broke up and then he came back and made up the gang again. And they got help from lizard girl and big angry birb who has a whole city thing. Me helped dem too!

The gang beats the spooey bad guy but then big angry birb steals their Goobo berries and everyone was sad.

Woah, dey really make for of dese? Dis one is diffarent but still da same but not so much in and out.

Angry birb guy has an island and he's going to steal 3 Gooboo berry things to make a Earth Slusshie. But da gang helps littel oreng dinasor stop him and everybody gets Goboo Berries!

Tank-you for  
coming to my
